Self-Directed Thread

If you choose to follow the self directed path where you research and evaluate educational web sites that best suite your needs. Research fifteen (15) web sites and evaluate each using the following format. Organize your work and submit it for verification.

- 1) Name of Web Site - <http://www.TheURLGoesHere.edu/> [In Word, this creates a HyperLink for easy access.]
 - A) Description and/or purpose of the Web Site and other related observations.
 - B) What are the benefits and limitations of using this web site in the classroom.
 - C) Are there activities of any type that can be used in the classroom or otherwise?
 - D) Who is the intended audience. Subject matter, discipline, etc.
 - E) What grade level is this web site suited for?
 - F) **Final Summary** – 1) Here is what I learned. 2) How I might use this in the classroom. 3) Here is how I think my students will benefit.
